

CURRICULUM VITAE

James R. Patrinely, M.D., F.A.C.S.

GENERAL BIOGRAPHICAL INFORMATION

Personal Information:

Date of birth: December 10, 1953

Citizenship: U.S.A.

Education:

Undergraduate:	University of Florida Gainesville, Florida Bachelor of Science Degree (highest honors)	1972-1976
Medical School:	Vanderbilt University School of Medicine Nashville, Tennessee M.D. Degree (Dean's Award)	1976-1980

Post-Graduate Training:

Internship:	Flexible medical and surgical internship Mercy Hospital and Medical Center San Diego, California	1980-1981
Fellowship:	Ophthalmic pathology with W. Richard Green, M.D. Wilmer Ophthalmological Institute Johns Hopkins Medical Center Baltimore, Maryland	1981-1982
Residency:	Department of Ophthalmology Baylor College of Medicine Houston, Texas	1982-1985
Fellowship:	Ophthalmic plastic and orbital surgery and oncology with Richard L. Anderson, M.D. University of Utah Salt Lake City, Utah	1985-1986

Academic Appointments:

Associate Professor of Ophthalmology Baylor College of Medicine Houston, Texas	1991-1997
Assistant Professor of Ophthalmology Baylor College of Medicine Houston, Texas	1986-1991
Associate Professor of Plastic Surgery Baylor College of Medicine Houston, Texas	1991-1997
Assistant Professor of Plastic Surgery Baylor College of Medicine Houston, Texas	1986-1991
Clinical Associate Professor (Head and Neck Surgery) Clinical Associate Surgeon (Ophthalmology) University of Texas MD Anderson Cancer Center Houston, Texas	1996-present
Clinical Assistant Surgeon (Ophthalmology) Clinical Assistant Professor (Department of Head and Neck Surgery) University of Texas MD Anderson Cancer Center Houston, Texas	1991-1999
Clinical Associate Professor of Ophthalmology Baylor College of Medicine Houston, Texas	1997-present
Clinical Associate Professor of Plastic Surgery Baylor College of Medicine Houston, Texas	1997-2009
Clinical Professor of Plastic Surgery Baylor College of Medicine Houston, Texas	2009-present
Clinical Associate Professor of Plastic Surgery MD Anderson Cancer Center	1999-2004

Other information:

Honors and Awards:

Dean's Award, Vanderbilt University School of Medicine 1980	
Selected for <u>The Best Doctors in America</u> , 1st Edition Publisher: Woodward/White Inc., Aiken, South Carolina	1992-1993
Physician's Recognition Award, American Medical Association	1992-1995
Selected for The American Academy of Ophthalmology Honor Award	1994
Selected for <u>The Best Doctors in America</u> , 2nd Edition Publisher: Woodward/White Inc., Aiken, South Carolina	1994-1995
Physician's Recognition Award with Special Commendation for Self Directed Learning, American Medical Association	1995-1998
Selected for <u>The Best Doctors in America: Central Region</u> Publisher: Woodward/White Inc., Aiken, South Carolina	1996-1997
1997 Benign Essential Blepharospasm Research Foundation, Inc. Hall of Fame Honoree	1997
Selected for <u>The Top Docs</u> , Inside Houston Magazine	1998-2000
Selected for <u>The Best Doctors in America</u> , 3 rd Edition Publisher: Woodward/White Inc., Aiken, South Carolina	1997-current
Selected as "Best for Eyes" in <u>The Best Plastic and Reconstructive Surgeons: Listed by Procedure and by Major U.S. City</u> . Media Perspectives, Gilroy, California	1999
"Super Doctor In Texas" in Texas Monthly Magazine	2005-current
"Outstanding Patient Choice Physician" selected annually from among 720,000 physicians	2008-current
"America's Top Doctors" by Castle Connolly Medical	2008-current
"Top Doctor in Houston" in H Magazine	2008-current

Board Certification:

Diplomate, National Board of Medical Examiners	July 1, 1981
Federation Licensing Examination	August, 1982
Diplomate, American Board of Ophthalmology	Oct. 11, 1986

Medical Licensure:

State of Maryland	D26757(inactive)	Aug. 6, 1981
State of Texas	G2202	Aug. 29, 1982
State of Utah	08107-1001-1(inactive)	June 6, 1985
State of Florida	ME-0049837	Dec. 8, 1986
State of Alabama	29960	Jan. 1, 2010

RESEARCH INFORMATION

National Scientific Participation:

Review panels and committees:

Medical Education Director, American Association of Ocularists	1989-present
Medical Advisory Board, Benign Essential Blepharospasm Research Foundation Inc.	1990-present
Grant Review Panel, Allegheny-Singer Research Institute	1991
Medical Advisory/Research Committee, The Thyroid Foundation of America	1991-present
Scientific Reviewer, <i>Ophthalmology</i>	1991-present
Scientific Reviewer, <i>Archives of Ophthalmology</i>	1991-present
Medical Advisory Board, Ellman International Inc.	1992

Medical Advisory Board, Porex Surgical Inc.	1992-present
Ophthalmology Knowledge Assessment Program (OKAP) Committee, American Academy of Ophthalmology	1993-present
Basic and Clinical Science Course, Section 7, Orbit, Eyelids and Lacrimal System, American Academy of Ophthalmology	1993-present
Scientific Reviewer, <i>Head & Neck Surgery Journal</i>	1994-present
Medical Advisory Board, The Thyroid Society	1994-present
Board of Directors, The Thyroid Society	1995-present
Managed Care Committee, American Society of Ophthalmic Plastic & Reconstructive Surgery	1995-present
Scientific Reviewer, American Academy of Ophthalmology <i>Focal Points, Clinical Modules for Ophthalmologists</i>	1995-1996
Education Committee, American Society of Ophthalmic Plastic & Reconstructive Surgery	1996
Chairman, Program Committee, Joint Centennial American Society of Ophthalmic Plastic & Reconstructive Surgery and American Academy of Ophthalmology Meeting	1996
Scientific Reviewer, <i>Southern Medical Journal</i>	1996
Chairman, Joint Symposium of the American Academy of Ophthalmology and The American Society of Ocularists	1997-1998
Medical Advisory Board, LifeCell Corporation, Woodlands, Texas	1997-present
Circle of Surgeons, Walter Lorenz Surgical Supply, Jacksonville, Florida	1997-present
Committee Member, Utilization of Operating Rooms, The Methodist Hospital	1998-2001
Editorial Board, <i>Ophthalmic Plastic and Reconstructive Surgery Journal</i>	2000-present
Allergan Scientific Advisory Board	2011-present

Professional Societies:

American Medical Association	1976-present
John Hopkin's Wilmer Resident's Association	1981-present
Texas Ophthalmological Association	1982-present
American Academy of Ophthalmology	1982-present
John Hopkins Medical and Surgical Association	1982-present
Association for Research in Vision and Ophthalmology	1984-1988
Contact Lens Association of Ophthalmologists	1984-1992
American Association of Ophthalmic Pathologists	1984-present
Georgiana Dvorak Theobald Ophthalmic Pathology Society	1985-present
Pan-American Association of Ophthalmology	1985-1994
Texas Medical Association	1986-present
Houston Ophthalmologic Association	1986-present
Harris County Medical Society	1986-present
American Society of Ophthalmic Plastic & Reconstructive Surgery	1987-present
International Society for Ophthalmic Pathology	1988-present
Texas Society of Ophthalmology and Otolaryngology	1992-1997
The Orbital Society (invitation only)	1993-present
American College of Surgeons	1995-present
Associate, European Society of Oculoplastic and Reconstructive Surgery	1998-present
American Cleft Palate-Craniofacial Association	1999-present
Escambia County Medical Society	1998-present

Florida Medical Association	1998-present
Florida Ophthalmological Association	1998-present

Invited Lectures, Presentations:

1. "Staphylococcus epidermidis endophthalmitis." American Academy of Ophthalmology, Atlanta, Georgia, October, 1981.
2. "Marginal corneal ulcers in Wegener's granulomatosis." Visiting Eye Pathology Conference. National Eye Institute, Bethesda, Maryland, Sept. 11, 1981.
3. "Conjunctival myxoma". Forty-first Scientific Meeting of the Wilmer Ophthalmologic Institute, Baltimore, Maryland, April 23, 1982.
4. "Conjunctival myxoma." The Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 4, 1982.
5. "Retrocorneal melanin pigmentation and pigmented pupillary membranes." Forty-second Scientific Meeting of the Wilmer Ophthalmological Institute, Baltimore, MD, April 20, 1983.
6. "Retrocorneal melanin pigmentation and pigmented pupillary membranes." Twentieth Annual Baylor Alumni Meeting, Houston, TX, June 11, 1983.
7. "Foveomacular vitelliform dystrophy, adult type. A clinicopathologic study." Forty-third Scientific Meeting of the Wilmer Ophthalmological Institute, Baltimore, MD, April 26, 1984.
8. "Foveomacular vitelliform dystrophy, adult type. A clinicopathologic study." The Association for Research in Vision and Ophthalmology, Sarasota, Florida, April 30, 1984.
9. "Microbial keratitis associated with extended-wear contact lenses." Mid-winter National Meeting of Contact Lens Association of Ophthalmology, San Diego, California, January 10-13, 1985.
10. "Metastatic orbital and leptomeningeal signet-ring cell carcinoma. Diagnosis by CSF cytology." Twenty-fifth annual Georgiana D. Theobald Ophthalmic Pathology Society Meeting, San Antonio, TX, March 29-30, 1985.
11. "Periorbital skin extensibility. A histopathologic and biomechanical study." Forty-fourth Scientific Meeting of the Wilmer Ophthalmological Institute, Baltimore, Maryland, May 1-3, 1985.

12. "Periorbital skin extensibility. A histopathologic and biomechanical study." Twenty-first Annual Baylor Alumni Meeting, Houston, TX, June 7, 1985.
13. "Pericranial flaps: Uses in orbital surgery." Twenty-second Annual Baylor Alumni Meeting, Houston, TX, June 14, 1985.
14. "Transplants in oculoplastic surgery." American Academy of Ophthalmology, New Orleans, Louisiana, November 13, 1986.
15. "Periorbital myectomy for hemifacial spasm." American Academy of Ophthalmology, New Orleans, Louisiana, Nov. 13, 1986.
16. "Tissue grafting in periorbital trauma." VI Park City Oculoplastic Meeting, Park City, Utah, March 2, 1987.
17. "Granulomatous acne rosacea of the eyelids." Georgiana Dvorak Theobald Society Meeting, Captiva Island, Florida, April 30-May 4, 1987.
18. "The pericranium: Uses in orbital surgery." Forty-sixth Scientific Meeting of the Wilmer Ophthalmological Institute, Baltimore, Maryland, April 22-24, 1987.
19. "Management of the blepharospasm patient." The Texas Medical Association 120th Annual Session, Houston, TX, May 13-17, 1987.
20. "Periorbital skin extensibility." American Society of Ophthalmic Plastic and Reconstructive Surgery, Dallas, TX, November 7, 1987.
21. "Hemifacial spasm." Benign Essential Blepharospasm Research Foundation International Meeting, Salt Lake City, Utah, September 17-19, 1987.
22. "Classic myectomy procedure." Southeastern Regional Conference on Blepharospasm, Durham, North Carolina, March 25-26, 1988.
23. "Eyelid anatomy, pathophysiology, and repair of malpositions." Featured Speaker at the Annual Education Meeting of the American Society of Ocularists, Tampa, Florida, April 22, 1988.
24. "Eyelid anatomy." Certified Orthoptists Annual Regional Meeting, Orlando, Florida, May 5-7, 1988.
25. "Advances in optic nerve surgery." International Symposium on Orbital Plastic Surgery, San Francisco, California, June 20-23, 1988.
26. "The pericranium - uses in orbital surgery." American Society of Ophthalmic Plastic and Reconstructive Surgery, Las Vegas, Nevada, October 8, 1988.

27. "Management of lacrimal outflow disorders." Ophthalmic Medical Assistants Society, Houston, TX, January 14, 1989.
28. "Unilateral blepharochalasis. Pitfalls in diagnosis and surgical management." Forty-eighth Scientific Meeting of the Wilmer Ophthalmological Institute, Baltimore, Maryland, April 24-26, 1989.
29. "Advances in optic nerve surgery." Texas Medical Association Annual Meeting, Fort Worth, TX, May 12-13, 1989.
30. Moderator, "Complications of the anophthalmic socket." American Society of Ocularists International Annual Meeting, New Orleans, Louisiana, October 1989.
31. "Surgical management of advanced periocular amyloidosis." American Society of Ophthalmic Plastic and Reconstructive Surgery Annual Meeting, New Orleans, Louisiana, November 1989.
32. "Team approach to craniofacial abnormalities." American Association of Certified Orthoptists, Houston, TX, April 7, 1990.
33. "Facial defects as parts of multisystem syndromes: The craniofacial team approach." The Child's Eye, Face, and Brain National Conference, Houston, TX, April 27-29, 1990.
34. "Cartilage grafts in orbital augmentation." American Society of Ocularists Medical Advisory Seminar, Atlanta, Georgia, October 31, 1990.
35. "Correction of periocular deformities associated with blepharospasm." Benign Essential Blepharospasm Research Foundation International Meeting, Duke Medical Center, Durham, North Carolina September 13-15, 1990.
36. "Preseptal transconjunctival lower eyelid blepharoplasty." American Society of Ophthalmic Plastic and Reconstructive Surgery, Atlanta, Georgia, October 27, 1990.
37. "Fascia lata sling revision." American Society of Ophthalmic Plastic and Reconstructive Surgery, Atlanta, Georgia, October 27, 1990.
38. "The transconjunctival approach to orbital rim fractures." Facial Plastic and Reconstructive Surgery Southern Region Meeting, February 9, 1991.
39. "Eyelid flaps and grafts." University of Utah Symposium on Advances in Cranio-Orbital and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, February 13-16, 1991.

40. Moderator, "Soft tissue reconstructive techniques." University of Utah Symposium on Advances in Cranio-Orbital and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, February 13-16, 1991.
41. "Correction of enophthalmos - orbital approach." University of Utah Symposium on Advances in Cranio-Orbital and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, February 13-16, 1991.
42. "Management of traumatic visual loss and orbital hemorrhage." University of Utah Symposium on Advances in Cranio-Orbital and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, February 13-16, 1991.
43. "Revision of frontalis fascia slings." The 50th Anniversary Wilmer Residents Association Meeting, Baltimore, Maryland, April 25-27, 1991.
44. "Skin flaps in oculoplastic surgery." Visiting Professor, Milton S. Hershey Medical Center, Hershey, Pennsylvania, June 19, 1991.
45. "Advancements in the correction of late enophthalmos." Visiting Professor, Milton S. Hershey Medical Center, Hershey, Pennsylvania, June 19, 1991.
46. "Advances in orbital reconstruction for late enophthalmos." Guest Speaker, Duval County Ophthalmology Society and Eye Research Foundation Meeting, Jacksonville, Florida, July 25, 1991.
47. "Complications associated with alloplastic implants used during orbital floor fracture repair." Canadian Ophthalmological Society, Ottawa, Canada, June 23-26, 1991.
48. "Caveats in the repair of late enophthalmos." American Society of Ophthalmic Plastic and Reconstructive Surgery, Anaheim, California, October 12, 1991.
49. "The acute orbit." University of Utah Symposium on Advances in Craniofacial and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, January 14-18, 1992.
50. "Approaches to lower eyelid blepharoplasty." University of Utah Symposium on Advances in Craniofacial and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, January 14-18, 1992.
51. "Correction of enophthalmos - orbital approach." University of Utah Symposium on Advances in Craniofacial and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, January 14-18, 1992.

52. "Management of traumatic visual loss and orbital hemorrhage." University of Utah Symposium on Advances in Craniofacial and Oculoplastic Surgery with Rigid Facial Skeletal Fixation, Snowbird, Utah, January 14-18, 1992.
53. "Multispecialty approach to craniofacial deformities." The Robert H. Still, M.D. Surgical Lectureship, St. Luke's Hospital, Jacksonville, Florida, October 29, 1992.
54. "Management of orbital blowout fractures." Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery, Snowbird, Utah, January 26-30, 1993.
55. "Management of traumatic visual loss and orbital hemorrhage." Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery, Snowbird, Utah, January 26-30, 1993.
56. "Correction of enophthalmos: Orbital approach." Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery, Snowbird, Utah, January 26-30, 1993.
57. "Skin flaps and grafts for periorbital reconstruction." Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery, Snowbird, Utah, January 26-30, 1993.
58. "Periorbital skin cancer." The University of Texas MD Anderson Cancer Center Partners in Excellence Clinical Symposia: Basal and Squamous Cell Head and Neck Skin Cancer, Houston, TX, February 6, 1993.
59. "Acute and late management of orbital fractures." The Elbyrne G. Gill Ophthalmology/Otolaryngology Symposium, Roanoke, Virginia, September 18-19, 1993.
60. "Management of acute orbital compartment syndrome." The Elbyrne G. Gill Ophthalmology/Otolaryngology Symposium, Roanoke, Virginia, September 18-19, 1993.
61. "Ocular plastic surgery for the plastic surgeon." 62nd Annual Scientific Meeting of The American Society of Plastic and Reconstructive Surgery, New Orleans, Louisiana, September 18-22, 1993.
62. "Periorbital skin cancer." American College of Surgeons 80th Annual Clinical Congress, Chicago, Illinois, October 9-14, 1994.
63. "Ocular plastic surgery for the plastic surgeon." 63rd Annual Scientific Meeting of The American Society of Plastic and Reconstructive Surgery, San Diego, California, September 24-28, 1994.
64. "Management of traumatic visual loss and orbital hemorrhage." Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery, Snowbird, Utah, January 17-21, 1995.

65. "Orbital approach to correction of late enophthalmus." *Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery*, Snowbird, Utah, January 17-21, 1995.
66. Pelton RW, Soparkar CNS, and Patrinely JR: "Idiopathic inflammatory response to silastic implants used in repair of orbital wall fractures." *Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery*, Snowbird, Utah, January 17-21, 1995.
67. Klapper SR, Patrinely JR, Kaplan S, and Font RL: "Atypical mycobacterial infection of the orbit." *Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery*, Snowbird, Utah, January 17-21, 1995.
68. Pratt DVD, Soparkar CNS, Lee AG, and Patrinely JR: "Chronic sino-orbital mucormycosis." *Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery*, Snowbird, Utah, January 17-21, 1995.
69. Soparkar CNS and Patrinely JR: "Management of porous matrix orbital implant exposures." *Advances in Craniofacial, Oculoplastic and Facial Aesthetic Surgery*, Snowbird, Utah, January 17-21, 1995.
70. "Management of the acute orbit." St. Louis Ophthalmological Society, St. Louis, Missouri, February 23, 1995.
71. "Orbital fractures A to Z." Anheuser-Busch Eye Institute of St. Louis University, St. Louis, Missouri, February 24, 1995.
72. "Skin flaps in oculoplastics." Anheuser-Busch Eye Institute of St. Louis University, St. Louis, Missouri, February 24, 1995.
73. "Eyelid reconstruction." Anheuser-Busch Eye Institute of St. Louis University, St. Louis, Missouri, February 24, 1995.
74. "Craniofacial anomalies." Southern Regional Orthoptic Meeting, Houston, TX, April 19-21, 1995.
75. "Modified endoscopic transphenoidal optic canal decompression." Texas Ophthalmological Association Annual Meeting, San Antonio, TX, May 10-11, 1996.
76. "Orbital fractures A to Z." 1996 Regional Roundup Symposium hosted by the Ophthalmological Societies of Arizona, Idaho, Montana, Nevada, South Dakota, Utah, and Wyoming, Jackson Hole, Wyoming, July 24-28, 1996.
77. "Step ladder approach to eyelid reconstruction." 1996 Regional Roundup Symposium hosted by the Ophthalmological Societies of Arizona, Idaho, Montana, Nevada, South Dakota, Utah, and Wyoming, Jackson Hole, Wyoming, July 24-28, 1996.

78. "The acute orbit: mechanisms and management." 1996 Regional Roundup Symposium hosted by the Ophthalmological Societies of Arizona, Idaho, Montana, Nevada, South Dakota, Utah, and Wyoming, Jackson Hole, Wyoming, July 24-28, 1996.
79. "Management of optic nerve in craniofacial trauma." Advances in Facial Aesthetic and reconstructive Surgery, Snowbird, Utah, January 14-18, 1997.
80. "Enophthalmos: correction using augmentation materials." Advances in Facial Aesthetic and reconstructive Surgery, Snowbird, Utah, January 14-18, 1997.
81. Pelton RW, Subramanian PS, Patrinely JR, Anderson R: "Orbicularis oculi myectomy and frontalis suspension for treatment of apraxia of eyelid opening." Advances in Facial Aesthetic and reconstructive Surgery, Snowbird, Utah, January 14-18, 1997.
82. "Advances in Orbital Surgery." Guest speaker, Northwest Florida Ophthalmological Society, Pensacola, Florida, October 9, 1997.
83. "Joint Current Concepts in the Treatment of the Anophthalmic Patient." Scientific Session of the American Academy of Ophthalmology and the American Society of Ocularists. Program Chairman, San Francisco, California, October 26, 1997.
84. "Enhancement of Fibrovascularization of Porous Implants." Soparkar NS, Patrinely JR. Joint Current Concepts in the Treatment of the Anophthalmic Patient. Symposium of the American Academy of Ophthalmology and the American Society of Ocularists, San Francisco, California, October 28, 1997.
85. "Management of Eyelid Malignancies." Ask the Experts Symposium, American Academy of Ophthalmology, San Francisco, California, October 28, 1997.
86. "Optic Nerve Sheath Decompression in Childhood pseudotumor cerebri." 1997 NANOS & The Texas Ophthalmological Association Meeting, Austin, TX, 1997.
87. "Management of Orbital Emergencies." University of Missouri Health Science Center, Columbia, Missouri, Visiting Professor, May 2, 1998.
88. "Complications of Oculoplastic Surgery." University of Missouri Heal Science Center, Columbia, Missouri, Visiting Professor, May 2, 1998.
89. "Improving the patency of external dacryocystorhinostomy in complicated cases: A laboratory study and clinical application". 35th Annual Baylor Ophthalmology Alumni Association Meeting. Baylor College of Medicine, Houston, TX, June 5, 1998.

90. "Pediatric orbital fractures." 35th Annual Baylor Ophthalmology Alumni Association Meeting. Baylor College of Medicine, Houston, TX, June 5, 1998.
91. Patrinely JR: "Finesse blepharoplasty." American Academy of Facial Plastic Surgery, San Antonio, TX, Sept. 12, 1998.
92. Patrinely JR: "Oculoplastics-aesthetic eyelid in orbital surgery." Course Director. American Academy of Facial Plastic Surgery, San Antonio, TX, Sept. 12, 1998.
93. Patrinely JR: "Current concepts in orbital surgery." Course Director. American Academy of Facial Plastic Surgery, San Antonio, TX, Sept. 12, 1998.
94. Patrinely JR: "Controversies in orbital fractures." American Academy of Facial Plastic Surgery, San Antonio, TX, Sept. 12, 1998.
95. Patrinely JR: "Ophthalmic management of facial paralysis." American Academy of Facial Plastic Surgery, San Antonio, TX, Sept. 12, 1998.
96. "Trauma Orbitario". Curso de Oftalmologia: Actualización y Nuevas Tendencias, Universidad De Monterrey, Mty, N.L. Mexico, February 19-20, 1999.
97. "Solid silicone implants: a new cause of orbital inflammatory syndrome?" The Orbit Society 1999 Annual Meeting, Milwaukee, WI, June 11-12, 1999.
98. "Finesse in aesthetic periocular surgery – facts and fantasies." Guest Speaker. University of North Carolina Ophthalmology Residents' Day, Chapel Hill, NC, June 25, 1999.
99. "In search of the perfect eyelid." Keynote Address. American Academy of Facial Plastic and Reconstructive Surgery, New Orleans, Louisiana, Sept. 23-25, 1999.
100. "New horizons in aesthetic periocular surgery." Eye Institute of the South Annual Meeting, Dotham, Alabama, April 15, 2000.
101. The Orbit Society 2000 Annual Meeting, Dallas, Texas, October 22, 2000.
102. The American Academy of Ophthalmology, Dallas, Texas October 22-25, 2000.
103. "Lower eyelid surgery." Innovative Approaches to the Treatment of Graves' Orbitopathy Symposium, Columbia University, New York, NY, September 8-9, 2001.
104. "Medial rectus injuries associated with functional Endoscopic sinus surgery (FESS): characterization and management." American Society of Ophthalmic Plastic and Reconstructive Surgery Fall Scientific Symposium, New Orleans, Louisiana, November 9-10, 2001.

105. "Second insult after post-traumatic optic neuropathy resulting in irreversible blindness – something we should all know about?" American Society of Ophthalmic Plastic and Reconstructive Surgery Fall Scientific Symposium, New Orleans, Louisiana, November 9-10, 2001.
106. "When best friends bite, lawyers begin to bark." American Society of Ophthalmic Plastic and Reconstructive Surgery Fall Scientific Symposium, New Orleans, Louisiana, November 9-10, 2001.
107. "Finesses Blepharoplasty." Department of Head and Neck Surgery Grand Rounds, The University of Texas M.D. Anderson Cancer Center, Houston, TX, December 6, 2001.
108. "Marketing & coding." Seventh Annual Ophthalmic Plastics Update – Symposium on Advanced Oculoplastic Surgery, Banff, Alberta, Canada, July 26-30, 2000.
109. "Aesthetic procedures, eyelid surgery, and revenue enhancers." Seventh Biennial Ophthalmic Plastics Update – Symposium on Advanced Oculoplastic Surgery, Banff, Alberta, Canada, July 26-30, 2000.
110. "Aesthetic procedures, eyelid surgery, and revenue enhancers." Eighth Biennial Ophthalmic Plastic Update – Symposium on Advanced Oculoplastic Surgery, Banff, Alberta, Canada, July 24-28, 2002.
111. "Posttraumatic optic neuropathy." University of Utah, Advances in Aesthetic Facial & Reconstructive Plastic Surgery Conference, Salt Lake City, Utah, January 20-24, 2003.
112. "Lower eyelid spacers." University of Utah, Advances in Aesthetic Facial & Reconstructive Plastic Surgery Conference, Salt Lake City, Utah, January 20-24, 2003.
113. "Posttraumatic enophthalmos." University of Utah, Advances in Aesthetic Facial & Reconstructive Plastic Surgery Conference, Salt Lake City, Utah, January 20-24, 2003.
114. Feledy JA, Soparkar CNS, Patrinely JR. Orbicularis myotoxicity following local anesthetic injection for oculoplastic surgical procedures: an unrecognized problem? Texas Society of Plastic Surgery (TSPS). San Antonio, TX. September, 2003
115. "The silent sinus syndrome: origins and evolution." Wilmer Eye Institute: W.R. Green Symposium, Baltimore, MA, March 1, 2004.
116. "Eyelid edema – the myriad of causes." Ninth Biennial Ophthalmic Plastics Update – Symposium on Advanced Oculoplastic Surgery, Cannon Beach, OR, July 14-18, 2004.

117. "Orbital tumors – benign and malignant." Ninth Biennial Ophthalmic Plastics Update – Symposium on Advanced Oculoplastic Surgery, Cannon Beach, OR, July 14-18, 2004.
118. "Radiographic findings in thyroid eye disease." Ninth Biennial Ophthalmic Plastics Update – Symposium on Advanced Oculoplastic Surgery, Cannon Beach, OR, July 14-18, 2004.
119. "Subtleties of cosmetic eyelid surgery." Ninth Biennial Ophthalmic Plastics Update – Symposium on Advanced Oculoplastic Surgery, Cannon Beach, OR, July 14-18, 2004.
120. Meeting Organizer and Host, International Orbit Society Annual Meeting, Destin FL, May 5-8, 2005.
121. Meeting Organizer and Host, 25th Annual Benign Essential Blepharospasm Research Foundation International Meeting, Jacksonville Florida August 24-26 2007.
122. "Sensory Feedback Mechanisms for Essential Blepharospasm' CL Evinger, 25th Annual Benign Essential Blepharospasm Research Foundation International Meeting, Jacksonville Florida August 24-26.
123. "Nuisance Complications of Blepharoplasty" Aging Face Seminar, American Academy of Facial Plastic and Reconstructive Surgery, San Francisco CA April 6-9 ,2008
124. "Pitfalls in the Preop Blepharoplasty Exam" Aging Face Seminar, American Academy of Facial Plastic and Reconstructive Surgery, San Francisco CA April 6-9 ,2008
125. "Ptosis Repair for the Cosmetic Surgeon" Aging Face Seminar, American Academy of Facial Plastic and Reconstructive Surgery, San Francisco CA April 6-9 ,2008
126. "Advance in the Management of Late Enophthalmos" AO North America CranioMaxillofacial Foundation, Lake Tahoe CA February 11-13, 2011.
127. "Current State of the Art: Lower Eyelid Blepharoplasty" AO North America CranioMaxillofacial Foundation, Lake Tahoe CA February 11-13, 2011.
128. "Eyelid Management in Graves Disease" AO North America CranioMaxillofacial Foundation, Lake Tahoe CA February 11-13, 2011.

TEACHING INFORMATION

Clinical conference: 80 hours per year

Medical student teaching: full-time elective rotation, 6 months per year

Resident training: 30 hours per week at Plastic Eye Surgery Associates, Texas Children's Hospital, and Ben Taub General Hospital (plastics and orbital clinics), daily rounds and operating room teaching and supervision.

Postdoctoral Clinical Fellow training:

March 1990 - March 1991: Hector M. Marines, M.D.
Instituto de Tecnológico, Monterrey, Mexico

July-August 1991: Miguel Huerta, M.D.
Naucalpan, Mexico

July 1994 - June 1995: Charles N.S. Soparkar, M.D., Ph.D.
(Oncology Fellow)

July 1997 - June 1998 Gonzalo Blanco, M.D.
University of Valladolid, Spain

July 1998 - June 1999 Joseph Davidson, M.D.
McGill University, Montreal, Canada

July 1999 - June 2000 Jamie Wong, M.D.
McGill University, Montreal, Canada

Lectures:

International:

1. "Relevant anatomy in blepharospasm." IV International Meeting of the Benign Essential Blepharospasm Research Foundation. Barcelona, Spain, September 18-20, 1986.
2. Panel Discussion: "An ophthalmological approach to blepharospasm." IV International Meeting of the Benign Essential
3. Blepharospasm Research Foundation, Barcelona, Spain, September 18-20, 1986.
4. "Ptosis surgery." University of Monterrey, Mexico, June 17, 1987.
5. "Eyelid trauma and wound repair." Sixth International Symposium of Medicine - Ophthalmology, Monterrey, Mexico, April 14-16, 1988.
6. "Management of eyelid tumors." Sixth International Symposium of Medicine - Ophthalmology, Monterrey, Mexico, April 14-16, 1988.
7. "Ectropion and Entropion." Sixth International Symposium of Medicine - Ophthalmology, Monterrey, Mexico, April 14-16, 1988.
8. "Ptosis." Sixth International Symposium of Medicine - Ophthalmology, Monterrey, Mexico, April 14-16, 1988.
9. "Orbital fractures and management." Sixth International Symposium of Medicine - Ophthalmology, Monterrey, Mexico, April 14-16, 1988.
10. "Orbital tumors management." Sixth International Symposium of Medicine - Ophthalmology, Monterrey, Mexico, April 14-16, 1988.
11. "Lacrimal system disease and its management." Sixth International Symposium of Medicine - Ophthalmology, Monterrey, Mexico, April 14-16, 1988.

12. Course Co-director, "Second International Scientific Symposium of Medicine Ophthalmology." Instituto de Tecnológico, Monterrey, Mexico, July 11-13, 1991.
13. "Management of the orbital hemorrhage." Second International Scientific Symposium of Medicine - Ophthalmology. Instituto de Tecnológico, Monterrey, Mexico, July 11-13, 1991.
14. "Preferred techniques for tarsorrhaphy." Second International Scientific Symposium of Medicine - Ophthalmology. Instituto de Tecnológico, Monterrey, Mexico, July 11-13, 1991.
15. "Excision of benign eyelid lesions." Second International Scientific Symposium of Medicine - Ophthalmology. Instituto de Tecnológico, Monterrey, Mexico, July 11-13, 1991.
16. Invited Panelist, 10th Annual International Conference on Benign Essential Blepharospasm and Meige's Syndrome, Dallas, TX, August 8, 1992.
17. "Treatment of trauma and laceration of eyelid." III Reunion Bienal Egresados Centro Medico de Occidente, Guadalajara, Jalisco, Mexico, October 7-9, 1993.
18. "Surgical treatment of distichiasis and entropion." III Reunion Bienal Egresados Centro Medico de Occidente, Guadalajara, Jalisco, Mexico, October 7-9, 1993.
19. "Atypical mycobacterial infection of the orbit." The Annual Meeting of the Orbital Society, Seattle, Washington, July 1-2, 1994.
20. "Techniques of lacrimal intubation." Sociedad Mexicana de Oftalmologia XXI Congreso Mexicano de Oftalmologia, Monterrey, Mexico, August 9-13, 1994.
21. "Management of upper eyelid retraction in thyroid ophthalmopathy." Sociedad Mexicana de Oftalmologia XXI Congreso Mexicano de Oftalmologia, Monterrey, Mexico, August 9-13, 1994.
22. "Update on the management of congenital ptosis." Sociedad Mexicana de Oftalmologia XXI Congreso Mexicano de Oftalmologia, Monterrey, Mexico, August 9-13, 1994.
23. "Cherubism." The Annual Meeting of the Orbital Society, Cleveland, Ohio, July 21-22, 1995.
24. "Combined intranasal endoscopic/transconjunctival approach to the optic canal in traumatic optic neuropathy." The Annual Meeting of the Orbital Society, Somerset, Pennsylvania, June 21-22, 1996.

25. "Intracranial endoscopic optic canal decompression." Orbit Society International Meeting, Pittsburgh, Pennsylvania, July 1, 1996.
26. "Orbital involvement in allergic fungal sinusitis." The Annual Meeting of the Orbital Society, Melbourne, Australia, February 21-22, 1997.
27. "Management of orbital emergencies". Brazilian Society of Ophthalmology. Guest lecturer. Rio de Janeiro, Brazil, July 24-26, 1997.
28. "Advances in the management of traumatic optic neuropathy". Brazilian Society of Ophthalmology. Guest lecturer. Rio de Janeiro, Brazil, July 24-26, 1997.
29. "Skin flap in periorbital reconstruction". Brazilian Society of Ophthalmology. Guest lecturer. Rio de Janeiro, Brazil, July 24-26, 1997.

37. "Controversies in orbital fractures." New Techniques in Ophthalmology Conference, University of Monterrey, Monterrey, Mexico, February 20, 1999.
38. "Current applications of Botox." New Techniques in Ophthalmology Conference, University of Monterrey, Monterrey, Mexico, February, 20, 1999.
39. "Current techniques in enucleation and evisceration." Guest Speaker. University of Monterrey, Monterrey, Mexico, February 12, 2000.

40. "Lower eyelid retraction after blepharoplasty." European Society of Ophthalmic Plastic and Reconstructive Surgery 18th Meeting, Paris, France, September 14-16, 2001.
41. "Correction of late posttraumatic orbital deformities." XXIXth International Congress of Ophthalmology, Sydney, Australia, April 21-25, 2002.
42. "Complications of orbital fracture repair." XXIXth International Congress of Ophthalmology, Sydney, Australia, April 21-25, 2002.

National Lectures:

1. "Cataract Surgery Complications - Prevention and Management." American Academy of Ophthalmology, Las Vegas, Nevada, October 8-13, 1988.
2. "Tough ptosis cases." American Academy of Ophthalmology, Las Vegas, Nevada, October 8-13, 1988.
3. "Diagnosis and management of essential blepharospasm and hemifacial spasms." American Academy of Ophthalmology, Las Vegas, Nevada, October 8-13, 1988.
4. Course Director "Trends in oculoplastics." Ophthalmic Plastic Surgery Study Group, Salt Lake City, Utah, April 5-9, 1989.
5. "Complications of cataract surgery." American Academy of Ophthalmology, New Orleans, Louisiana, October 13, 1989.
6. "Diagnosis and management of essential blepharospasm and hemifacial spasm." American Academy of Ophthalmology, New Orleans, Louisiana, October 13, 1989.
7. "Tough ptosis cases." American Academy of Ophthalmology, New Orleans, Louisiana, October 13, 1989.
8. Course director, The Second Ophthalmic Plastic Surgery Study Group Symposium on Advanced Oculoplastic Surgery, Salt Lake City, Utah, February 21-25, 1990.
9. "Tough ptosis cases." American Academy of Ophthalmology, Atlanta, Georgia, October 30, 1990.
10. "Diagnosis and management of essential blepharospasm and hemifacial spasm." American Academy of Ophthalmology, Atlanta, Georgia, October 31, 1990.
11. "Cataract surgery complications. Prevention and management." American Academy of Ophthalmology, Atlanta, Georgia, November 1, 1990.

12. "Management of the anophthalmic socket." American Academy of Ophthalmology, Atlanta, Georgia, November 1, 1990.
13. "Tough ptosis cases." American Academy of Ophthalmology, Anaheim, California, October 13-17, 1991.
14. "Diagnosis and management of essential blepharospasm and hemifacial spasm." American Academy of Ophthalmology, Anaheim, California, October 13-17, 1991.
15. Course Director, The Third Ophthalmic Plastic Surgery Study Group Symposium on Advanced Oculoplastic Surgery. Estes Park, Colorado, July 8-12, 1992.
16. "Orbital emphysema: Staging and acute management." American Society of Ophthalmic Plastic and Reconstructive Surgery 23rd Annual Scientific Symposium, Dallas, TX, November 7, 1992.
17. "Diagnosis and management of essential blepharospasm and hemifacial spasm." Joint Commission on Allied Health Personnel in Ophthalmology Continuing Education Program, Dallas, TX, November 7-12, 1992.
18. "Diagnosis and management of essential blepharospasm and hemifacial spasm." American Academy of Ophthalmology, Dallas, TX, November 8-12, 1992.
19. "Management of the anophthalmic socket." American Academy of Ophthalmology, Dallas, TX, November 8-12, 1992.
20. "Cataract surgery complications: Prevention and management." American Academy of Ophthalmology, Dallas, TX, November 8-12, 1992.
21. "Blepharospasm, hemifacial spasm, and oromandibular dystonia (Workshop I)." Treatment of Dystonia: Workshop Demonstrating the Use of Botulinum Toxin, Co-sponsored by the American Academy of Neurology and Baylor College of Medicine, Houston, TX, March 27, 1993.
22. "Midfacial fractures." American Academy of Ophthalmology, Chicago, Illinois, November 14-18, 1993.
23. "Diagnosis and management of essential blepharospasm and hemifacial spasm." American Academy of Ophthalmology, Chicago, Illinois, November 14-18, 1993.
24. Course Director, The Fourth Ophthalmic Plastic Surgery Study Group Symposium on Advanced Oculoplastic Surgery. Estes Park, Colorado, July 7-10, 1994.

25. "Periocular autografts for socket reconstruction." American Society of Ophthalmic Plastic and Reconstructive Surgery 25th Annual Scientific Symposium, San Francisco, California, October 29, 1994.
26. "Current status and uses of the dermis fat graft." Combined American Academy of Ophthalmology and American Society of Ocularists Annual Meeting, San Francisco, California, October 30, 1994.
27. "Diagnosis and management of essential blepharospasm and hemifacial spasm." Joint Commission on Allied Health Personnel in Ophthalmology Continuing Education Program, San Francisco, California, October 31, 1994.
28. "Revision of fascia lata frontalis suspension." American Academy of Ophthalmology, San Francisco, California, November 1, 1994.
29. "Diagnosis and management of essential blepharospasm and hemifacial spasm." American Academy of Ophthalmology, San Francisco, California, November 1, 1994.
30. "Periocular autografts for socket reconstruction." American Society of Ocularists Annual Meeting, San Francisco, California, November 2, 1994.
31. Maturi RK, Soparkar CNS, Patrinely JR, Hayman LA: Magnetic resonance imaging of the eyelid complex: anatomy and pathology. Association for Research in Vision and Ophthalmology (ARVO) Annual Meeting, Fort Lauderdale, Florida, May 14-19, 1995.
32. Pelton RW, Soparkar CNS, Patrinely JR: Idiopathic inflammatory response to silastic in the orbit. Association for Research in Vision and Ophthalmology (ARVO) Annual Meeting, Fort Lauderdale, Florida, May 14-19, 1995.
33. Shore JW, Choi JC, Fleming JC, Aitken PA, Holds JB, Patrinely JR, Rubin PAD, Patipa M, Yaremchuk M, Lucarelli M: Porous polyethylene channel implant for orbital wall reconstruction. American Society of Ophthalmic Plastic and Reconstructive Surgery 26th Annual Scientific Symposium, Atlanta, Georgia, October 28, 1995.
34. Patrinely JR, Alford EL, Holds JB: Modified endoscopic transphenoidal optic canal decompression. Video Program (Videotape 15), American Academy of Ophthalmology, Atlanta, Georgia, October 29-November 2, 1995.
35. "Diagnosis and management of essential blepharospasm and hemifacial spasm." American Academy of Ophthalmology, Atlanta, Georgia, October 29-November 2, 1995.

54. "General medicine: glaucoma." OKAP Committee Item Review Meeting, New York, NY, 10019, March 9-12, 2000.
55. "Clinical applications of the medpor eyelid implant." American Society of Ophthalmic Plastic and Reconstructive Surgery Mini-Session, Dallas, Texas, October 19, 2000.
56. "Implants and enhancers." American Society of Ophthalmic Plastic and Reconstructive Surgery Annual Meeting: Special Session, Dallas, Texas, October 19, 2000.
57. "Exposure of porous orbital implants: the result of 56 cases and management algorithm." American Society of Ophthalmic Plastic and Reconstructive Surgery 31st Fall Scientific Symposium, Dallas, Texas, October 20-21, 2000.
58. "Results and indications of over 150 enophthalmos wedge implants." American Society of Ophthalmic Plastic and Reconstructive Surgery 31st Fall Scientific Symposium, Dallas, Texas, October 20-21, 2000.
59. "Medial rectus injuries associated with functional endoscopic sinus surgery (FESS): characterization and management." American Society of Ophthalmic Plastic and Reconstructive Surgery Fall Scientific Symposium, New Orleans, Louisiana, November 9-10, 2001.

60. "Second insult after post-traumatic optic neuropathy resulting in irreversible blindness – something we should all know about?" American Society of Ophthalmic Plastic and Reconstructive Surgery Fall Scientific Symposium, New Orleans, Louisiana, November 9-10, 2001.
61. "When best friends bit, lawyers begin to bark." American Society of Ophthalmic Plastic and Reconstructive Surgery Fall Scientific Symposium, New Orleans, Louisiana, November 9-10, 2001.
62. "The medpor® lower eyelid spacer: follow-up for over 200 cases. American Society of Ophthalmic Plastic and Reconstruction surgery 33rd Fall Scientific Symposium, Orlando, Florida, October 18-19, 2002.
63. "Don't be blinded by the power of surgical® (oxidized regenerated cellulose)." American Academy of Ophthalmology, Orlando, Florida, October 20-23, 2002.
64. "myotoxicity: an unrecognized problem?." American Society of Plastic and Reconstructive Surgery Symposium, Anaheim, CA, November 14-15, 2003.
65. "Successful late correction of post-traumatic Enophthalmos, hypoglobus, & diplopia in patients with isolated orbital floor and medial wall fractures." American Society of Plastic and Reconstructive Surgery Symposium, Anaheim, CA, November 14-15, 2003.

Regional Lectures:

1. "Update on ptosis surgery." The Cullen Course, Houston, TX, March 20-22, 1987.
2. "Controversies in orbital fracture repair." The Cullen Course, Houston, TX, March 20-22, 1987.
3. "Recent advances in oculoplastics: Aponeurotic approach to eyelid surgery." The Cullen Course, Houston, TX, March 20-22, 1987.
4. "Transplantation in oculoplastic surgery." The 24th Annual Baylor Ophthalmology Alumni Association Meeting, Houston, TX, June 4-6, 1987.
5. "Radio frequency scalpels in ophthalmic plastic surgery." The 24th Annual Baylor Ophthalmology Alumni Association Meeting, Houston, TX, June 4-6, 1987.
6. "Tissue transplantation." Austin Ophthalmological Society, guest speaker, Austin, TX, July 21, 1987.

7. "Blepharospasm: Medical vs. surgical therapy." The Cullen Course, Houston, TX, March 18-20, 1988.
8. "New techniques in optic nerve surgery." The Cullen Course, Houston, TX, March 18-20, 1988.
9. "When and how to do evisceration." The Cullen Course, Houston, TX, March 18-20, 1988.
10. "Preferred procedure for dacryocystorhinostomy (DCR)." The Cullen Course, Houston, TX, March 18-20, 1988.
11. "Multidisciplinary approach to craniofacial orbital deformities." Baylor Alumni Association, Houston, TX, June 2-4, 1988.
12. "Craniofacial abnormalities." University of Texas, Galveston, TX, February 17, 1989.
13. "Management of the acute orbit." The Cullen Course, Houston, TX, March 17-19, 1989.
14. "Preferred procedure for upper lid blepharoplasty." The Cullen Course, Houston, TX, March 17-19, 1989.
15. "Skin flaps in oculoplastics." The Cullen Course, Houston, TX, March 17-19, 1989.
16. "Prevention and management of ptosis following cataract surgery." Baylor Alumni Meeting, Houston, TX, June 1-3, 1989.
17. "Skin flaps in periorbital surgery." University Texas Medical Branch, Galveston, TX, September 1, 1989.
18. "Eyelid reconstruction." Soft Tissue Symposium, Departments of Plastic Surgery, Otorhinolaryngology, and Ophthalmology, Baylor College of Medicine, Houston, TX, November 18, 1989.
19. "Preferred sutures and needles in oculoplastic surgery." The Cullen Course, Houston, TX, March 2-4, 1990.
20. "Lower eyelid blepharoplasty." The Cullen Course, Houston, TX, March 2-4, 1990.
21. "Management of pseudotumor cerebri." The Cullen Course, Houston, TX, March 2-4, 1990.
22. "Advances in the management of late enophthalmus." Baylor Alumni Meeting, Houston, TX, June 8-9, 1990.

23. "Urine drug screening of cocaine following oculoplastic surgery." Baylor Alumni Meeting, Houston, TX, June 8-9, 1990.
24. "How to use botulinum toxin." The Cullen Course, Houston, TX, March 15-17, 1991.
25. "Reliable tarsorrhaphy techniques." The Cullen Course, Houston, TX, March 15-17, 1991.
26. "Excision of benign eyelid lesions." The Cullen Course, Houston, TX, March 15-17, 1991.
27. "Decision making in the acute management of orbital injuries." The 28th Annual Baylor Ophthalmology Alumni Association Meeting, Houston, TX, June 6-8, 1991.
28. "New approaches to ptosis surgery." The Cullen Course, Houston, TX, March 13-15, 1992.
29. "When to repair an orbital fracture." The Cullen Course, Houston, TX, March 13-15, 1992.
30. "Optic nerve surgery." The Cullen Course, Houston, TX, March 13-15, 1992.
31. "The utilitarian transconjunctival incision." The 29th Annual Baylor Ophthalmology Alumni Association Meeting, Houston, TX, June 4-6, 1992.
32. "Approaches to lower eyelid blepharoplasty." The Cullen Course, Houston, TX, March 12-14, 1993.
33. "New concepts in orbital reconstruction." The Cullen Course, Houston, TX, March 12-14, 1993.
34. "Systematic eyelid reconstruction." The Cullen Course, Houston, TX, March 12-14, 1993.
35. "Advances in the management of late enophthalmus." Texas Medical Association 126th Annual Session, Houston, TX, May 13-16, 1993.
36. "Sags and bags of elderly eyelids." The 30th Annual Baylor Ophthalmology Alumni Association Meeting, Houston, TX, June 10-12, 1993.
37. "Advances in the management of late post-traumatic enophthalmos." Texas Society of Ophthalmology and Otolaryngology 68th Annual Meeting, Houston, TX, December 3-4, 1993.

38. "Optimal wound closure after eyelid trauma." The Cullen Course, Houston, TX, March 11-13, 1994.
39. "Autografts for eyelid repair." The Cullen Course, Houston, TX, March 11-13, 1994.
40. "Management of trichiasis and other eyelash problems." The Cullen Course, Houston, TX, March 11-13, 1994.
41. "Wild kingdom: an oculoplastic safari of animal injuries." The 31st Annual Baylor Ophthalmology Alumni Association Meeting, Houston, TX, June 9-11, 1994.
42. "Extracranial endoscopic optic canal decompression: a new approach (? and indications)." The 32nd Annual Baylor Ophthalmology Alumni Association Meeting, Houston, TX, June 9-10, 1995.
43. "Ptosis and Tearing." Ophthalmology for the Practicing Pediatrician, Houston, TX, October 7, 1995.
44. "The who, when, what and why of probing." The Cullen Course, Houston, TX, March 15-17, 1996.
45. "My favorite sutures." The Cullen Course, Houston, TX, March 15-17, 1996.
46. "Sculpting and lipoconturing the eyelids." The Cullen Course, Houston, TX, March 15-17, 1996.
47. "Thyroid eye disease." Ophthalmology for Primary Care Practitioners, Houston, TX, June 1, 1996.
48. "Ten things I have learned to do differently over the last ten years." The 33rd Annual Baylor Ophthalmology Alumni Association Meeting and Retina Symposium, Houston, TX, June 7-8, 1996.
49. Klapper SR, Soparkar CNS, Patrinely JR, Hunts JH, Linberg JV, Kersten RC, Anderson RL: "The perils of permanent punctal plugs." The 33rd Annual Baylor Ophthalmology Alumni Association Meeting and Retina Symposium, Houston, TX, June 7-8, 1996.
50. Pratt DV, Soparkar CNS, Lee AG, Patrinely JR: "Chrome sino-orbital mucormycosis." The 33rd Annual Baylor Ophthalmology Alumni Association Meeting and Retina Symposium, Houston, TX, June 7-8, 1996.

51. Valenzuela J, Mietz H, Schweitzer C, Prager TC, Patrinely JR, Font RL: "An animal model to evaluate optic nerve damage by mitomycin C." The 33rd Annual Baylor Ophthalmology Alumni Association Meeting and Retina Symposium, Houston, TX, June 7-8, 1996.
52. "Bad blepharoplasties and how to avoid them." The Cullen Course, Houston, TX, March 14-16, 1997.
53. "Laser peel for crow's feet." The Cullen Course, Houston, TX, March 14-16, 1997.
54. "Collagens, creams and cosmetics." The Cullen Course, Houston, TX, March 14-16, 1997.
55. "Seller beware: warning signs in blepharoplasty screening." Ophthalmology Conference, Austin, TX, April 24-25, 1998.
56. Patrinely JR, Lee AG: "Optic sheath decompression in pediatric pseudotumor cerebri." Ophthalmology Conference, Austin, TX, April 24-25, 1998.
57. "Eyelid spasms and facial tics." Regional Benign Essential Blepharospasm Research Foundation Seminar, Pensacola, FL, October 16, 1999.
58. "Blepharospasm – treatment options." Benign Essential Blepharospasm Research Foundation North Florida/Southern Georgia Area Meeting, Pensacola, FL, June 1, 2003.

Local Lectures:

1. "Oculoplastic surgery." Del Oro Hospital, Houston, TX, April 8, 1987.
2. "Blepharospasm." Houston Chapter of Blepharospasm Research Foundation, Houston, TX, November 22, 1987.
3. "Eyelid lesions." Baylor College of Medicine Family Practice Center, Houston, TX, February 29, 1988.
4. "Orbital lymphoma." Oncology Conference, The Methodist Hospital, Houston, TX, July 18, 1989.
5. "Lacrimal disorders and treatment." Facial Plastic Surgery Conference, Department of Otorhinolaryngology, Baylor College of Medicine, November 17, 1989.

6. "Myectomy surgical approach." Houston Area Support Group of the Benign Essential Blepharospasm Research Foundation, Inc., Houston, TX, November 4, 1990.
7. "Encapsulated lesions of the orbit." Cullen Eye Institute Saturday Symposium, Houston, TX, February 2, 1991.
8. "Enlargement of extraocular muscles." Cullen Eye Institute Saturday Symposium, Houston, TX, February 2, 1991.
9. "Evaluation and treatment of acute orbital fractures." Cullen Eye Institute Saturday Symposium, Houston, TX, February 9, 1991.
10. "Blunt Trauma to Eye, Orbit, and Mid-Face." Cullen Eye Institute Saturday Symposium, Houston, TX, February 9, 1991.
11. "Orbit and eyelid injuries." The Methodist Hospital Operating Room Monthly Continuing Education Conference, Houston, TX, April 10, 1991.
12. "Transconjunctival preseptal approach for repair of orbital fractures." 31st Annual Visiting Professor Program, Department of Otorhinolaryngology and Communicative Sciences, Baylor College of Medicine, Houston, TX, April 21-23, 1991.
13. "Management of eyelid paralysis." Houston Acoustic Neuroma Association, Houston, TX, May 11, 1991.
14. "Management of traumatic visual loss and orbital hemorrhage." Facial Plastics Conference, Baylor College of Medicine, Houston, TX, May 16, 1991.
15. "Ptosis and cataract surgery." Cullen Eye Institute Saturday Symposium, Houston, TX, May 18, 1991.
16. "Management of retrobulbar hemorrhage." Cullen Eye Institute Saturday Symposium, Houston, TX, May 18, 1991.
17. "Beauty is in the eyelids of the beholder." Baylor College of Medicine Ophthalmology Research Colloquium, Houston, TX, August 14, 1991.
18. "Beauty is in the eyelids of the beholder." Houston Chapter of American Society of Plastic and Reconstructive Surgical Nurses, Inc., Houston, TX, August 20, 1991.
19. "Periocular injuries: Prevention and management." Houston Chapter of Association of Operating Room Nurses, Houston, TX, February 12, 1992.

20. "Beauty is in the eyelid of the beholder." Houston Chapter of American Society of Ophthalmic Registered Nurses, Inc., Houston, TX, February 24, 1992.
21. "Patient evaluation for cosmetic surgery." Facial Plastic and Reconstructive Surgery Conference, Department of Otorhinolaryngology and Communicative Sciences, Baylor College of Medicine, Houston, TX, March 23, 1992.
22. "Orbital decompression." Cullen Eye Institute Saturday Symposium on Thyroid Eye Disease/ Orbital Decompression, Houston, TX, May 30, 1992.
23. "Blow out fractures of the orbit." Perspectives In Ophthalmic Nursing Conference, Houston, TX, June 13, 1992.
24. "Management of midfacial fractures." ENT Grand Rounds, Baylor College of Medicine, January 7, 1993.
25. "Graves disease." Department of Radiation Oncology, Resident/Staff Conference, Baylor College of Medicine, Houston, TX, January 14, 1993.
26. "Graves disease." The Thyroid Society's Patient Education Seminar, Houston, TX, February 23, 1993.
27. "Ectropion, entropion, and lid reconstruction." Division of Plastic Surgery Grand Rounds, Baylor College of Medicine, Houston, TX, March 26, 1993.
28. "Eyelid reconstruction." Division of Plastic Surgery Grand Rounds, The University of Texas M.D. Anderson Cancer Center, Houston, TX, June 24, 1993.
29. "Periocular reconstruction." Department of Head and Neck Surgery Grand Rounds, The University of Texas M.D. Anderson Cancer Center, Houston, TX, August 13, 1993.
30. "Blepharospasm treatment." General Meeting of the Houston Chapter of the Dystonia Medical Research Foundation, Houston, TX, September 11, 1993.
31. "Eyelid reconstruction." MD Anderson Cancer Center Wednesday Morning Educational Grand Rounds, Houston, TX, March 2, 1994.
32. "Oculoplastic surgery." Plastic Surgery Residents Teaching Conference, Baylor College of Medicine, Houston, TX, March 30, 1994.
33. "Eyelid reconstruction." Educational Conference on Facial Plastic and Reconstructive Surgery, Department of Otolaryngology-Head Surgery, Baylor College of Medicine, Houston, TX, April 28, 1994.

34. "Thyroid eye disease." The Thyroid Foundation Graves' Disease Support Group Meeting, Houston, TX, May 5, 1994.
35. "New Trend in Oculoplastic Surgery." Baylor College of Medicine, Department of Otorhinolaryngology and Communicative Sciences 34th Annual Visiting Professor, Houston, TX, November 10, 1994.
36. "Issues in lower eyelid blepharoplasty." Plastic Surgery Residents Teaching Conference, Baylor College of Medicine, Houston, TX, November 23, 1994.
37. "Enophthalmus." Division of Plastic Surgery Grand Rounds, Baylor College of Medicine, Houston, TX, January 27, 1995.
38. "Tranconjunctival blepharoplasty." Psychomotor Skills Workshops, Division of Plastic Surgery, Baylor College of Medicine, Houston, TX, February 4, 1995.
